

M/s CARDINAL II – Kulkuri 34

Description

This handy size passenger vessel / water taxi holds a licence for 30 passengers on Finnish domestic area 2, near coast, and have comfortable seating for the passengers on aft deck and inside the saloon. She's built at the Finnish famous Kulkuri yard in 1989 and have since transported thousands and thousands of passengers in the area of Helsinki.

LSA per regulation and Nav equipment's updated during the past years. E/R fitted with FIRE PRO fixed fire suppression system.

Her service speed of 18 knots gives her a large operating area. At 18 knots (@ 2.000 rpm) the consumption rises to only 60-65 lts/hrs. At 16 knots abt. 40-45 lts/hrs. Top speed 23-24 knots.

She's really easy to manoeuvre thanks to her powerful Vetus bow thruster, even possible to sail with only one crew member. Embarkation from both sides and over the bow. On the roof space for 8 bikes.

Overall in good shape and ready for hard use.

Do not hesitate to ask for more information.

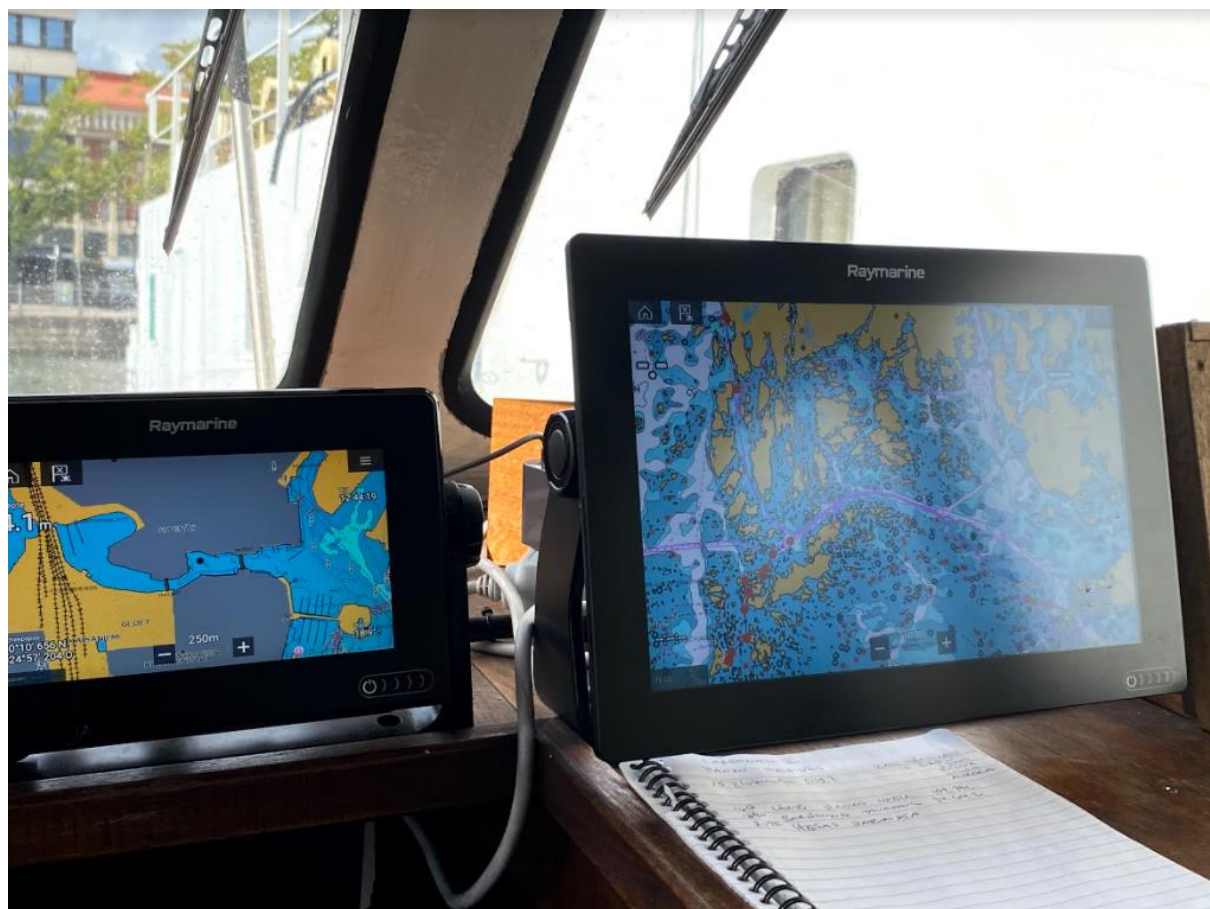

Specifications
